Visit the [MTHS Choirs website](http://www.mthschoirs.org) for more information, practice tracks, and various links.

Hello, Redbirds!

With all that is going on in our world, we are going to be revamping the way that we conduct the Madrigal & Court Singers auditions for the 2021-2022 school year. This year, you will have the option of completing an in-person audition or a virtual audition, whichever you feel most comfortable with. While auditions are always nerve-wracking, I hope that this alleviates some stress at the end of a difficult year.

**Whether you are recording your audition or auditioning with Ms. Seiler in-person, here are the things you'll need to complete:**

- Selection from "You Are Our Center" (second verse - a cappella)
- Selection from "Star in the East" (first verse - a cappella)

*\*If you are recording yourself, please make sure that you submit only one file.*

**For virtual auditions, please be sure you are starting on the correct pitch!**

If you choose to audition virtually, please make sure that all recordings are submitted via the [Madrigal & Court Singers Audition Form \(2021\)](#) by midnight on Friday, May 28th. If you prefer to audition in-person with Ms. Seiler, those will be taking place on Monday, May 24th. Please select a 15-minute time slot using the following link: [Audition Appointment Time Slots](#). If none of those slots work for you, please contact Ms. Seiler.

In addition to the information in this document, Ms. Seiler will be hosting some optional help sessions for the audition materials. If you have questions, comments, concerns, or would like help learning the music, please join us during one or more of those times. If you do not feel comfortable with the in-person sessions, please talk with Ms. Seiler to set up a virtual help session. The dates and times are listed in the photo to your right, as well as on social media, Google Classroom, and Remind.

I'm sure you will have questions and I apologize if I left anything out. Remember that we are in this together and you have my support 100%. Don't let the difficult times or your nerves impact next year. Take the risk and audition. You can do this! I believe so strongly in you!!

With love and so much support,  
Ms. Seiler :)
